

SEIU Local 517M Retiree Membership Form

Fellow Retiree,

During my 26 years working for the State of Michigan, I was very active with our union. I proudly served our members on the Executive Board, bargaining team, and as a steward and chapter governor. My involvement with SEIU Local 517M educated me on the importance of the union to our quality of life. And today, my retiree health benefits are still impacted by what the union negotiates with the State. This is why I remain active with the union.

I am excited to tell you that we have established a Local 517M retiree program! Over the last few years we have held several retiree meetings and want to hear from you. We've established a modest dues structure for retirees at a very reduced rate of only \$5 per month.

Union strength only comes from its membership. Please join me in standing together with our union brothers and sisters. Together we can work to protect our rights and benefits. We do this by becoming active, dues paying retiree members and by contributing to our Committee on Political Education (COPE) so that our union can fight to keep Lansing politicians from taxing our retirement. (Additional information about COPE is on the reverse side of this page.)

I am proud to say that I pay my dues and contribute to COPE through the union's own monthly autopay system. I invite you to do the same.

In Unity,
Mary Charley, Local 517M Retiree Liaison
