

GET ON THE BRIDGE

America Wants to Work: Rally in Shields!

Tell Dave Camp to fix our bridges, create jobs

WHAT: Rally calling on Michigan politicians to fix our local bridges to create good construction jobs and get our economy moving

WHO: Local workers, community leaders

WHEN: 4:30 p.m to 6:30 p.m - Thursday, November 17, 2011

WHERE: Crooked Creek Driving Range 9410 Gratiot Rd. Shields MI 48609. We will be parking in the Bar and Grill parking lot and walking on a sidewalk to the side of the bridge just east of there that crosses Swan Creek and which is structurally deficient.

WHY: Michigan needs jobs now. Instead of pandering to the Tea Party and giving handouts to big corporations, we need our leaders to stop the power struggles and focus on creating good jobs that pay a fair wage. By investing in our crumbling local bridges, we can put Michigan back to work and get our economy moving again. If you have questions, please contact: SEIU Local 517M at 989-797-4243.

On Nov. 17th, We Will Declare an Economic Emergency for the 99%:

- 25 million Americans are looking for work—but Congress can't pass a jobs bill
- Super-Committee budget cuts could kill millions of jobs
- The economy works for the richest 1%—not the 99%
