## Some of the Values Reflected in SEIU's Ethics Policies

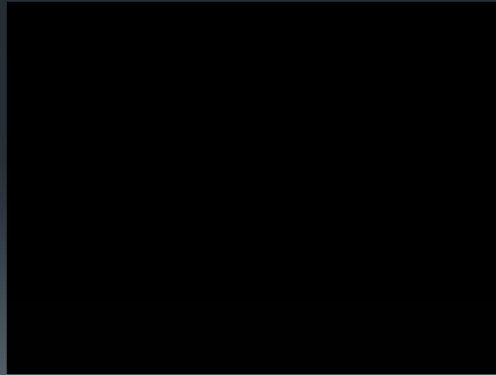

What are some of the core values  
in our Local?

Who is your ethical hero and why?

## Hypothetical Ethics Scenario

### ***SEIU CODE OF ETHICAL PRACTICES AND CONFLICT OF INTEREST POLICY Preamble***

Union members place tremendous trust in their leaders.

SEIU elected officers and managers owe not just fiduciary obligations to union members, but given the moral purpose of our mission, SEIU leaders owe members the highest level of ethical behavior in the exercise of all leadership decisions and financial dealings on members' behalf.

Members have a right to have proper stewardship over union resources and transparency in the expenditure of union dues.

**SECTION 9. *Conversion of Union Funds or Property.*** No officer or managerial employee of SEIU shall convert or divert any funds or other property belonging to SEIU to such individual's personal use or advantage.
