PURPOSE AND RECOGNITION

- 1.1 **Purpose.** The general purpose of the Agreement is to set forth terms and conditions of employment, and to promote orderly and peaceful working relations for the mutual interest of the Employer, the employees and the Union.
- 1.2 **Recognition.** The Employer, pursuant to the certification of the Michigan Employment Relations Commission, dated June 9, 1999, recognizes the Union as the exclusive representative of all the employees in the bargaining unit in respect to rates of pay, wages, hours of employment, or the conditions of employment.
- 1.3 The Food Service Department will include the classifications of a) Building Managers, b) Food Service Technicians, and c) Food Van Driver.
- 1.4 **Limitations.** The purposes for which recognition is granted and the definition of the bargaining unit shall in all particulars conform to the certification of the Michigan Employment Relations Commission and the provisions of the applicable law.

ARTICLE 2

UNION RIGHTS AND RESPONSIBILITIES

- 2.1 **Union Rights.** The Union shall have, in addition to other rights expressly set forth herein or provided by statute, the following rights:
- 2.11 **Meeting Facilities.** The use of school facilities for meetings, when a custodian is on duty, provided that such use shall be without cost to the Employer and shall not interfere with the primary educational use of the facilities. The Union agrees to abide by the rules and regulations established by the Employer for use of school facilities.
- 2.12 **Employee Communications.** The Union shall have the right to communicate with bargaining unit members through the use of designated bulletin boards, or sections thereof, or the reasonable use of the Employer's mail service. All materials shall bear the name of the Union and the name of the person authorizing the posting or the distribution thereof. No Union materials of any kind shall be displayed on or about the physical facilities of the Employer except on the designated bulletin boards and no displayed materials shall be derogatory to the Employer nor to any employee. The Union shall save and hold the Employer harmless from any and all expense or liability whatsoever arising out of the preparation and/or use of any such materials.
- 2.2 **Union Responsibilities.** The Union shall have, in addition to other responsibilities expressly set forth herein, the following responsibilities:
- 2.21 **Union Representatives.** The Union shall promptly notify the Employer in writing of the names of those persons who have been authorized to act on its behalf and the authority of each such person, which notice shall remain in effect until superseded by a written notice.
- 2.22 **Compensation for Union Business.** The maximum number of employees who shall be paid by the Employer while conducting negotiations and processing a specific grievance, under the formal grievance procedure of this agreement, shall be limited to four (4) and compensation shall be the regular straight time rate of pay and shall cease at the end of the regular scheduled working hours of any day on an assigned shift. The Employer shall not be obligated to pay employees for attending called Union meetings in preparation for negotiations or in preparation for presentation of a grievance under the formal grievance procedure of this Agreement.
- 2.23 **Working Conditions.** Duly authorized representatives of the Union shall be permitted to participate in any discussion relative to hours, wages, and working conditions at any time upon presentation of proper credentials to the Employer or his designated representative, provided it will not be detrimental to the management and function of school and its students.

ARTICLE 3

NO STRIKE

The Union, its members, its representatives and agents agree that they shall not cause, support or take part in a strike or withholding of services for the duration of this Agreement.

ARTICLE 4

SENIORITY

- 4.1 **Probationary Period.** A new employee shall be in a probationary period for the First 40 actual days worked. There shall be no seniority for probationary employees, and such employees, including laid off, suspended, or discharged probationary employees, shall have no recourse to the terms of this Agreement.
- 4.2 **Seniority Defined.** Seniority shall be measured from the date that an employee first performed services for the Employer. If two (2) or more employees have the same service date, the employee having the lowest Social Security Number shall be deemed to be most senior. For the purpose of this section "service date" shall mean the date when the employee first provided services for the Employer after the last interruption of service, if the employee has been employed more than once by the Employer. A break in service of not more than twelve (12) calendar months or an authorized leave of absence shall not be an interruption of service, but such period shall not be included in the determination of the total amount of seniority except as required by law or as the terms of the leave of absence shall otherwise provide. It is expressly agreed that this section shall be interpreted such that a person who previously quit employment with the Employer or whose employment was previously terminated by the employer and then is rehired by the Employer shall receive no seniority credit for any such previous employment.
- 4.21 A Food Service Worker shall gain a day of seniority for each day worked within the Department rather than hours.
- 4.3 **Seniority List.** The Employer shall prepare and maintain a seniority list of Food Service Workers, a copy of which shall be furnished to the Union upon request. The names of all employees in the bargaining unit at the time of the preparation of the seniority list shall be listed in order of their service date starting with the employee with the greatest amount of seniority at the top of the list.
- 4.4 **Loss of Seniority.** Seniority shall be lost if the employee:
- 4.41 Voluntarily quits;
 - 4.42 Is involuntarily terminated and the termination is not reversed through the procedure set forth in this Agreement;
 - 4.43 Retires;

- 4.44 Takes an unauthorized leave of absence, or fails to return from an authorized leave of absence on the agreed upon date, unless the Employer and the employee shall otherwise expressly agree in writing; or
 - 4.45 Otherwise terminates his employment relationship with the Employer.
- 4.5 **Super Seniority.** The Unit President and one (1) Steward, by virtue of their positions, shall have top seniority within the bargaining unit for the purposes of layoff and recall.

ARTICLE 5

VACANCIES, PROMOTIONS, AND TRANSFERS

- 5.1 The Employer shall have the right to transfer or promote employees in accordance with the following procedures, namely:
- 5.11 **Notice.** Notice of all vacancies and newly created positions within the bargaining unit shall be posted in each building for five (5) days and a copy sent to the unit president. When school is not in session, notice shall be sent to every employee. Employees with jobs that will be eliminated must have two (2) weeks notice, when possible to do so.
 - 5.12 **Bidding.** Any employee in the bargaining unit may bid for a job opening by notifying the Employer in writing within the posting period.
 - 5.13 **Selection.** Any posted position within the Department shall be filled by the most senior employee who has bid for the position and who possesses the qualifications for such position as determined by the Employer. An employee, to be eligible, must have performed satisfactorily in his present classification or position and must be qualified to perform the duties of the new classification or position. If the job opening is not filled by bidding, the Employer shall have the right to employ a new hire.
 - 5.14 **Trial Period.** The successful applicant shall be granted a trial period of forty (40) work days, provided that the Employer may terminate the trial period early after consultation with the Union if the employee demonstrated a clear lack of ability to learn the job where safety and health are involved.
 - 5.15 **Compensation.** During the trial period, the employee shall be entitled to receive the rate of pay designated for the new classification of position.
 - 5.16 **Transfers.** It is recognized that changes in assignment are sometimes necessary. Although the right of determination to assign or transfer rests with the Board, no assignment or transfer will be made without prior discussion with the employee. Employees who have indicated an interest in change of assignment will be considered first and all transfers will be voluntary when possible. When transfers are required or of an involuntary nature, the least senior person best qualified for the job shall be

selected. Reasonable consideration will be made to remove an involuntary transfer when it is practical to do so.

5.17 Other Transfers. Nothing herein shall limit the right of the Employer to temporarily transfer or promote an employee for a period not to exceed thirty (30) days, nor to transfer or promote the least senior qualified employee who has not applied for such transfer or promotion, if in the opinion of the Employer there shall be no applicant who possesses the minimum qualifications for the position. An employee who has been temporarily transferred or promoted shall receive the minimum rate of pay designated for such position, provided that such rate is higher than his former rate.

5.2 Union Notification of Leaves, Transfers, or New Hires. Whenever a leave, transfer, or new hire occurs, Personnel will notify the Unit President within (8) business days of the occurrence.

5.3 Rotating Roster for Catering Jobs. The employer will establish a rotating (by seniority) roster for catering jobs with someone from the building where the event is taking place being the first placed.

ARTICLE 6

LAYOFF AND RECALL

6.1 Determination. If the Employer determines that the number of employees is in excess of its current requirements, it shall have the right to reduce the number of employees.

6.2 Layoff Procedure. In case of layoff, the least senior employees shall be laid-off first as long as there are qualified employees to meet the staffing requirements of each classification. If an employee to be laid-off in a classification is more senior and holds the qualifications for another classification as determined by the employer, that employee may bump the less senior employee in the other classification. In the case of layoff, the employer will make reasonable effort based on qualifications to provide the more senior employees remaining, the longer work schedules. Other than provided by law, wages and benefits are suspended during a period of layoff.

6.3 Recall Procedure. Employees shall be recalled in the reverse order in which laid-off, provided, however, that the Employer shall not be required to recall an employee in such order if the Employer determines that such employee does not possess the qualifications necessary to perform the duties of the job to which the employee will be assigned. If any employee shall fail to report for work at the time specified at the time of recall, unless an extension is granted in writing by the Employer, or the notice to report to work was given to the employee less than forty-eight (48) hours in advance, the employee's failure to report to work shall be considered as a voluntary quit and shall thereby automatically terminate his employment relationship with the Employer. The obligation of the Employer to recall a laid-off employee shall terminate twelve (12) months following layoff.

- 6.4 **Intent to Return.** Upon receiving notice of recall, the employee shall notify the Employer within 72 hours whether or not he/she will return to work.
- 6.5 **Change of Address.** It shall be the responsibility of each employee to notify the Employer of any change of address or telephone number. The employee's address and telephone number as they appear on the Employer's records shall be conclusive. If change of address is not provided, the employee shall not be subject to recall provided the recall procedure is followed.
- 6.6 **New Hires.** No new employees shall be hired while qualified employees are on lay-off status.

ARTICLE 7

AUTHORIZED ABSENCE

Since the absence of an employee generally has an adverse effect on the quality of the Employer's educational program and imposes increased responsibilities on other employees and increases cost, it is the responsibility of each employee to avoid unnecessary tardiness or absence. The provisions herein set forth are not intended to reduce the responsibilities of an employee nor to provide a form of additional compensation. Rather, the provisions are intended to meet the legitimate, humanitarian and personal needs of an employee in a manner consistent with the requirements of the educational program and they shall be so applied and interpreted.

- 7.1 **Leave Days.** Leave days will be front loaded by providing three (3) days at the beginning of the school year. One (1) day per month will be added commencing at the end of September through May for a yearly total of twelve (12) days. Employees must work at least 50% of the month to receive the additional leave day.
 - 7.11 **Leave Days Defined.** These days may be used for illness, accident or disability (other than worker's compensation disabilities) of the employee or the employee's spouse or children or parents of the employee. Such days may also be used for the personal business of the employee. It is agreed that leave days shall not be used for recreation, including by example, hunting, fishing, camping, or general shopping trips. Nor may these leave days be used to begin or extend a school vacation or holiday period. However, one (1) such day annually may be used to attend a school activity or trip in which an employee has a child or grandchild participating.
 - 7.12 **Unused Leave Days.** Leave days shall accumulate to a total of forty-five (45) days. These days will be supported by a Board paid long term disability policy on each eligible employee. Upon termination or retirement after twelve (12) years of service, an employee shall receive a bonus payment equal to one (1) hour's pay at the employee's current hourly rate multiplied by the number of accumulated days.
 - 7.13 The employee must request leave day(s) at least 5 working days in advance. The employer will respond in writing within the 5 days of any leave request.

- 7.2 **Jury and/or Court Leave.** An employee who is called for jury duty or to give testimony before any legal, judicial or administrative tribunal, and, providing that it will not apply to any cause in which the employee is the party to the action, shall be compensated for the difference between their normal salary and that which they receive for performance of such duty, less reimbursed expenses and travel allowance.
- 7.3 **Funeral Leave.**
- 7.31 An employee shall receive 4 days with pay for each death of his/her spouse, mother, father, child, stepchild, brother, sister, mother-in-law, father-in-law, brother or sister-in-law, grandparents, grandparents-in-law, grandchildren, daughter-in-law or son-in-law.
- 7.4 **Military Leave**
- 7.41 **Regular Duty.** An employee who is drafted or volunteers for the Armed Forces of the United States of America shall be granted a leave of absence without pay and shall be entitled to such seniority and reinstatement rights as provided by applicable federal law.
- 7.42 **Temporary Duty.** An employee called to temporary active duty as a member of the National Guard or other reserve unit shall be granted a leave of absence without pay for the duration of such temporary active duty. Seniority shall accrue for such employee during any such temporary military leave of absence.
- 7.5 **Family & Medical Leave Act.** Unpaid leave necessary to respond to one's own, or to one's family health or medical problems or other related conditions shall be governed by the federal Family & Medical Leave Act. At the option of the Board of Education, and upon the request of the employee, the Board may extend such leave up to one year. This meritorious leave or extension shall not constitute a precedent for future request and shall not be subject to the grievance procedure.
- 7.6 **Unpaid Inservice Leave for Union Business.** The Employer agrees to grant twenty four (24) hours of unpaid in-service which may be used in accordance with the following guidelines, namely:
- 7.61 Attendance at meeting of the Service Employees International Union for the purpose of conducting official SEIU business, including conventions, workshops, schools and other similar activities related to the representation of the employees covered by this Agreement.
- 7.62 Not more than one (1) person from a building may be granted union leave at a time.
- 7.63 A request for a leave shall be made in writing not less than five (5) working days prior to the leave.

- 7.7 Employee Sick Bank.** A procedure is established for employees to donate leave days to a sick bank for the use by employees who suffer a personal catastrophic illness or injury, who have exhausted their paid leave days, are not yet eligible to receive long term disability benefits, are not otherwise compensated by other insurance or workers' disability benefits for time off work, and are granted sick bank days by a sick bank panel. Any sick bank leave days would run concurrent with FMLA. The Board of Education will donate and frontload 30 leave days.
- 7.71** Sick bank days may only be used for personal catastrophic illness or injury. "Personal catastrophic illness or injury" is a condition of extreme seriousness that extends for a prolonged period of time and is supported by a medical statement from a licensed physician.
- 7.72** The number of sick bank days an employee may use shall be limited to the least of: 1) the number of days donated by other employees, b) the number of days necessary to qualify the employee for Long Term Disability Insurance benefits, if such a bank did not exist, or c) the number of days determined by the sick bank panel.
- 7.73** An employee may apply for sick bank days on a form approved by the Board and the Union. If the employee is incapacitated, the Union president may apply on behalf of the employee. The completed application must be submitted to the sick bank panel. In order to be determined eligible to use sick bank days, an employee must establish all of the following:
- 7.74** A sick bank panel composed of three Union representatives and two school administrators shall be established to consider applications to use sick bank days. This panel shall review each application to determine if the employee meets the eligibility criteria, and if so, the number of days to be requested for donation from other employees. Factors to be considered by the panel in making its determination shall include the degree of seriousness of the illness/disability, the anticipated duration of the absence from duty, whether the employee could reasonably have scheduled surgery/treatments for the illness/disability to occur outside of the duty year, and such other factors as the panel shall deem appropriate in any particular case. The panel may request additional information from the employee as it sees fit. The panel shall issue a written statement of their decision and rationale in each case. All decisions of the above panel as to whether to grant applications for use of sick leave bank days shall be final and binding and shall not be subject to the grievance procedure.
- 7.75** If the sick bank panel determines that the employee is eligible to receive sick bank days, a request shall be made of all employees to donate leave days to the sick bank. Donation of leave days by employees to the sick bank shall be strictly voluntary on the part of employees. Each employee is limited to donating one leave day per request. The order in which leave days donated to the sick bank are used shall be determined on a random basis by the employer. Such determination may not be grieved. Unused leave days donated to the sick bank shall not accumulate and shall be credited back to the donating employees whose days were not used. Donated leave days used through the sick bank shall be charged for all purposes as if the donor had used the leave day himself or herself. In the event that

there are multiple requests for donation of leave days to the sick bank in any school year, no employee shall be charged in any school year with use of more than one leave day through the sick bank until every other donation employee has been charged with one leave day so used.

- 7.76 The use of the word employee(s) in the entirety of Section 8.7 is specifically limited to mean a member or members of the bargaining unit as defined in Article 1 of this Agreement.
- 7.77 At the beginning of every school year the employer will donate 30 days to the sick leave bank. These days shall not accumulate from year to year.

The records will be used to determine the pay of each employee. The arbitrator shall have jurisdiction only to interpret, apply in compliance with this Agreement and shall not add to or detract from or alter in any way its provisions. The arbitrator's decision shall be final and binding on both parties. Fund Balance Incentive

(Changed Dates for current years of contract)

2016-2017 (based off end of year audit from 2015-2016)

2017-2018 (based off end of year audit from 2016-2017)

2018-2019 (based off end of year audit from 2017-2018)

If the Fund Balance increases by at least \$5,000.00 the Food Service employees will receive 30% of that increase in a one-time payment to the employee the first pay period after completion of the yearly audit or no later than December 1 of the following year. Only employees currently employed at the completion of the audit will share in the payment. The total payment will be divided based on current full time equivalent staff at that time.

Example: Total daily labor hours = 148 / 8 hrs./day = 18.5 FTE

Fund Balance Increase = \$10,000 x 30% = \$3,000 / 18.5 FTE = \$162.16 / 107.65% (FICA) = \$150.64 payout for an 8 hour staff member. Any lesser hours per day will receive a prorated amount. A 5 or 6 hour person would receive \$112.98, a 4 or less hour person would receive \$72.32.

Maximum district payout, regardless of the amount of fund balance increase, will be \$6,000.00 per year.
