This AGREEMENT made and entered into, by and between Chartwells School Dining Services, a division of Compass Group, Inc. for the cafeteria foodservice employees at Muskegon School District in Muskegon, Michigan, (hereinafter called the "Employer"), and Service Employees' International Union, Local 517 M (hereinafter called the "Union").

ARTICLE 1 – RECOGNITION

Section 1. The Employer hereby recognizes the Union as the exclusive representative for collective negotiations concerning the negotiable terms and conditions of employment for all permanent employees as listed in Appendix 1.

Section 2. The Employer shall not abridge, add to, or change any section of this Agreement, except for any changes reached by mutual agreement, and the Employer shall not enter into any separate agreements, covenants or contracts with any individual who is part of the bargaining unit, which would abridge, add to, or change this Agreement.

Section 3. Excluded from the bargaining unit shall be all managers, confidential and clerical employees, professional employees, supervisors, and guards as defined in the National Labor Relations Act.

ARTICLE 2 – PARTNERSHIP GOALS & JOINT LABOR MGMT COMMITTEES

Section 1. – Partnership Goals: The Employer and the Union agree that job security for the employees is best assured by growth of the business and that growth of the business is dependent on increased teamwork and productivity aimed at meeting the competitive challenges in the marketplace. The parties further agree that the most effective way of accomplishing those goals is through labor-management cooperation and a partnership between the Employer, the employees and the Union. The parties also believe that employee involvement and participation in improving the quality of their jobs and the growth of the business is an important goal of the Employer and the Union, as is building trust and improving communication between management and the employees.

ARTICLE 2 – PARTNERSHIP GOALS & JOINT LABOR MGMT COMMITTEES cont.

Toward those goals and objectives, the parties have agreed to create Site and Regional Joint Labor Management Committees, (JLMC).

Section 2. – Site JLMC: The Employer and the Union agree there shall be a Site Joint Labor Management Committee consisting of no more than 3 individuals from each party. The names of the committee members shall be submitted by each party to the other, in writing. Meetings will be held at mutually agreeable times and places so as to apprise the other of problems, concerns and suggestions related to the operation, working conditions and the labor agreement, all with the aim of promoting better understanding between the parties. Meetings will be held no less often than quarterly. A written agenda shall be established for each meeting. Employees assigned to the Site JLMC shall be paid their regular hourly rate for the time spent as a committee member on the JLMC.

Such meetings shall not be construed as opening the Agreement for negotiations nor shall such meeting be considered as a step in the grievance procedure. No rights either party has under the Grievance and Arbitration procedure or any other Article of the Agreement shall be waived by utilizing the Site JLMC including the exercise of management's rights by the Employer not in conflict with the Agreement.

The Site JLMC is not empowered to alter, amend or change the terms and conditions of the labor agreement in any way.

Section 3. All participants on the Site Joint Labor Management Committee may be trained in interest-based problem solving before they may serve on said committee.

Section 4. The parties may jointly agree to have the Joint Labor Management Committee meetings facilitated.

ARTICLE 3 – RESPECT AND DIGNITY

The Employer and Union agree that each employee and supervisory representative of the Employer shall be treated with dignity and respect. Verbal abuse, threats or harassment by employees, managers, representatives of the union, or supervisors towards each other will not be tolerated. Discipline shall be handled in a professional manner.

ARTICLE 4 – GRIEVANCE PROCEDURE

Section 1. The term "Grievance" as used herein means any alleged violation, misinterpretation, or misapplication of this Agreement, and may be raised by an individual, group of individuals covered by this Agreement, or the Union on behalf of an individual or group of individuals covered by this Agreement. The claims covered by this Grievance and Arbitration Procedure include, but are not limited to, claims covered by the National Labor Relations Act and claims alleging a unilateral change in the terms and conditions of employment.

Section 2. The parties agree that grievances must be processed and resolved as rapidly as possible. The number of days indicated at each step of the grievance procedure shall be considered maximum and every effort should be made to expedite the process. Failure on the part of management to respond within the time limits shall result in a grievance being automatically moved to the next step. The time limitations may be extended on a case-by-case basis by mutual agreement. Such extensions shall be in writing.

Section 3. The following constitutes the exclusive method for resolving grievances between the parties under this Agreement, unless any step is waived or modified, in writing, by mutual consent of the Employer and the Union. Grievances involving suspensions or terminations will proceed in accordance with Step Two.

ARTICLE 4 – GRIEVANCE PROCEDURE continued

Step One:

Any employee believing he/she has suffered a grievance, shall, with the assistance of a union representative, discuss the matter with his or her immediate supervisor. In order to be a legitimate grievance, the issue must be discussed within 7 working days of its occurrence or when the grievant would have reasonably known of the violation. The immediate supervisor shall give an oral reply within 1 working day of submission of the grievance.

Step Two:

If the grievance is not resolved after Step 1, then within 3 working days of the answer, the grievance shall be reduced to writing and provided to the Site Director. The written grievance should list the specific provision(s) of this Agreement alleged to have been violated and remedy sought. Within 3 working days of the grievance being filed in writing, a meeting shall occur between the Site Director, the Chief Shop Steward and the grievant in an effort to resolve the grievance. The Site Director shall provide a written response within 3 working days of the meeting.

Step Three:

In the event that the grievance cannot be settled in Step Two, the written grievance may be appealed by the Regional Representative of the Union to the Regional Manager of the Employer or his/her designee within 10 calendar days after the written decision of the Site Director was received. The appeal shall be in writing. The parties shall meet within 7 calendar days in an effort to resolve the grievance. The Regional Manager shall provide a written response within 3 calendar days of the meeting.

If the grievance is not resolved after the procedures in Step Three have been completed, the parties, by mutual agreement, may refer the matter to non-binding mediation. Such referrals shall occur within 30 days after the union receives the written response from the Regional Manager. The mediator must issue a written decision within 15 days.

Grievance Mediation. A Grievance Mediation requested in accordance with Step Three of the grievance procedure shall be held within 30 calendar days of the written request. The Grievance Mediation shall consist of at least 1 Employer representative and at least 1 Union representative plus a neutral mediator who shall act as Chairman and mediate the dispute in an attempt to have the parties reach a settlement. In the event the Employer and the Union cannot agree upon a mediator, either or both parties may apply to the Federal mediation and Conciliation Service (FMCS) to submit a list of 5 names. Each party shall alternate in striking the list, beginning with the Employer on the first occurrence. The person whose name is not stricken shall be the mediator. Such procedure shall apply in each case. Mediation of grievances shall be governed by the following rules:

ARTICLE 4 – GRIEVANCE PROCEDURE continued

1. The grievant shall have the right to be present at the Grievance Mediation;
2. Each party shall have 1 principal spokesperson;
3. Outside attorneys shall not participate in Grievance Mediation;
4. Any documents presented to the mediator shall be returned to the respective parties at the conclusion of the hearing;
5. Proceedings shall be informal in nature and are non-binding on the parties;
6. Rules of Evidence shall not apply and no formal record of the Grievance Mediation shall be made;
7. The mediator shall have the authority to meet separately with any person or persons but will not have the authority to compel a resolution of the grievance;
8. If no settlement is reached, the mediator shall provide the parties with a written advisory decision within 24 hours of the mediation;
9. The mediator shall state the grounds for his/her advisory decision;
10. The Grievance Mediation procedure shall have no power to alter or amend the terms of this Agreement;
11. The cost of the mediator, if any, shall be split equally between the Employer and the Union.

In the event that a grievance which has been mediated subsequently goes to arbitration, no person serving as a mediator between the parties may serve as an arbitrator. Nothing said or done by the mediator may be referred to at arbitration. Nothing said or done by either party for the first time in the mediation hearing may be used against them at arbitration.

Step Four:

If the grievance cannot be satisfactorily adjusted at Step Three, the matter may be referred by the Union, (or the Company in the case of an Employer grievance), for final decision and determination to an impartial arbitrator. The parties may agree to a panel of arbitrators to hear Step Four grievances. If the parties are unable to mutually agree upon an arbitrator, a request for arbitration shall be filed in writing with the Federal Mediation and Conciliation Service (FMCS) requesting a panel of 7 arbitrators no later than 30 calendar days following the receipt of the written Step 3 answer or the receipt of the written decision from the mediator as provided for in Step 3, paragraph 2 above.

The parties shall select an arbitrator from the FMCS panel by alternately striking names (grieving party shall strike first) until one name remains who shall be the "selected" arbitrator. The arbitrator selected through the above request for arbitration filing process shall hold a hearing promptly and shall issue a written decision not later than 30 calendar days from date of the close of the hearings or, if oral hearings have been waived, then from the date on which the written final statements and proofs on issues were submitted.

ARTICLE 4 – GRIEVANCE PROCEDURE continued

The decision of the arbitrator shall be final and binding upon the parties. The arbitrator shall be bound and governed by the provisions of this Agreement and the arbitrator shall be limited to the interpretation of the terms set forth in the Agreement.

Costs of the arbitrator shall be shared equally by the parties. Any other expenses incurred, including but not limited to the presentation of witnesses, shall be paid by the party incurring same.

Section 4. The Employer may submit a grievance to the Union under the provisions of this Article within 10 calendar days after the event giving rise to the grievance has occurred. Such grievance shall be filed directly with the Union in writing at Step Three. The Union shall provide a written answer to the grievance within 10 calendar days of the Step Three meeting or teleconference. If such grievance is not settled, it may be submitted to mediation by mutual agreement or directly to arbitration.

Section 5. Training. For purposes of implementing the procedure set forth in this Article, the parties may participate in a joint training program in grievance mediation to be conducted by the FMCS under the sponsorship of the Joint Labor Management Committee.

Section 2. Family/Employment Status Changes: After the initial open enrollment period employees may only change their elections once each calendar year. This open enrollment period is usually during the month of November, with an effective date of change as January 1st. The provisions of these elections and the bi-weekly payroll deduction are subject to the applicable plan descriptions and IRS regulations.

Generally, once benefit selections are made, they remain in effect for the rest of the plan year (January 1 – December 31). However, employees may change some of their choices during the year if they have a family or employment status change and notify the Employer in writing within 30 days of the change. A family/employment status change, (as currently defined by the Internal Revenue Service), includes:

1. Marriage, divorce or legal separation, (there must be a court order granting the divorce or legal separation).
2. Death of spouse or other dependent.
3. Birth or legal adoption of a child.

2. For employees on union leave, see Article 11, Section 4. Life insurance will continue for the full period of the leave.

ARTICLE 22 - INSURANCE continued

Section 1. The work year for employees shall be determined by the Employer, to be correlated with the number of student days for which food service is provided as determined by the Board of Education, plus up to 5 days before and/or after the student year, the actual number of days to be determined by the Employer. Should the Board direct the Employer to provide Food Service in excess of 10 months in a school year, the parties shall meet to discuss the impact on the collective bargaining agreement.

ARTICLE 24 – HOURS OF WORK continued

Section 3. The normal work week shall consist of 5 days, commencing on Monday through Friday. The work year shall be established as set forth in each year's school calendar. The text in this Article shall not establish a guaranteed number of days to be worked in a week or the hours to be worked in a day, although the Company will provide as many full-time shifts as practicable, consistent with its business needs.

Section 4. The Employer reserves the right to assign or reassign shifts to personnel or to create new work hours on 1-week's notice to the employee, except in the case of an emergency. The workday shall be based on actual hours scheduled and worked. To the extent practicable, reassignments shall be made on the basis of seniority.

Section 5. All employees covered by this Agreement will be permitted to take one 15-minute paid break for each 4 hours worked. Breaks will be scheduled by the manager. Employees who work 5 or more hours in a day shall receive a one-half hour paid meal break to be scheduled by the manager or designee where they shall be provided a free, wholesome meal. ARTICLE 25 – OVERTIME AND PREMIUM PAY continued

Section 3. For purposes of this Article, the principle of seniority will be utilized in determining the selection of employees for overtime work on a building-wide basis by job classification. The most senior employee based upon service in the building in classification for which overtime is available shall be offered overtime first and then a cycle of rotation shall occur until the list is exhausted. The cycle will then return to the most senior employee. If no volunteers respond in the building and in the job category for which overtime is available, overtime shall then be assigned in inverse seniority order by classification in the building where the overtime is occurring. This system will continue at the building level until the necessary overtime hours are filled. Any employees refusing overtime in their turn shall lose their place on that cycle of the overtime list, and shall not be eligible until the next turn on the list.

Section 4. Overtime shall be paid in the pay cycle following that in which the overtime is worked.

Section 5. Whenever possible, overtime scheduled shall be posted the day before such overtime is scheduled. Employees working overtime shall be permitted to make such necessary notification to their homes and families.

Section 6. Employees shall be expected to work a reasonable amount of overtime when requested.

ARTICLE 26 – JURY DUTY

When a member of the bargaining unit is summoned for jury duty, the Employer shall grant such employee time off for jury duty and will pay the employee the difference between his/her jury duty pay and the regular straight time hourly rate for the regularly scheduled hours of work for up to 20 work days in any calendar year.

ARTICLE 27 – BEREAVEMENT LEAVE

In the case of the death during the school year of a parent or legal guardian, brother, sister, husband, wife, domestic partner, child or step child, mother-in-law or father-in-law, grandparent or grandchild or a relative who is a member of the immediate household of the employee, members of the bargaining unit who have completed probation will be excused without loss of pay from day of the death to the day after the funeral, inclusive, provided the absence does not exceed 3 consecutive working days except where travel distances exceed 500 miles from place of employment, in which case the employee shall be granted up to 2 additional days off, with pay, for travel or to attend to other funeral related matters.

In the case of the death during the school year of a brother/sister-in-law, daughter/son-in-law, aunt, uncle, niece, nephew, or cousin, members of the bargaining unit who have completed probation will be excused without loss of pay for the day of the funeral, provided the absence does not exceed one (1) working day.

Employer may request reasonable verification.

Section 2. Once employees begin their scheduled shift, they shall be paid for all hours worked, or one-half the hours in their regular shift, whichever is greater.

Section 3. The decision whether an employee shall be excused or shall work will be at the discretion of management and shall be made on the basis of seniority

Section 4. Employees called in from home to work extra time outside their regular hours, shall be guaranteed a minimum of 2 hours work or the pay equivalent thereto.

ARTICLE 29 - CHANGES IN HOURS

Section 1. In the event that the scheduled hours in a particular school are reduced, then the least senior employee in that school, in the affected classification, shall have their hours reduced first and so on. The affected employees shall have the right to bump a less senior employee in the same classification in a different school to retain their hours. The employee affected by this bump may then bump the least senior employee, in the same classification in the District to retain hours if their seniority permits. By mutual consent of the parties, all employees in a given classification involved shall be affected equally (i.e., hourly time shall be reduced in a like amount for each employee).

Section 2. In the event that the scheduled hours in a particular school for a given classification are increased, then the most senior employee in a given classification involved shall be affected first and so on. By mutual consent of the parties, all employees in a given classification shall be affected equally (i.e. hourly time shall be increased in a like amount for each employee).

ARTICLE 30 – HOLIDAYS

Section 1. All regular full-time and part-time employees that have completed probation shall be entitled to paid holidays per school year when the School District is closed.

Friday before Easter

Memorial Day

Thanksgiving Day

Day after Thanksgiving

Martin Luther King Day

2 Days on Mid-Winter Break (as scheduled by the Board of Education)

Section 2. Payment shall be based on the employee's regularly scheduled hours times their regular rate of pay.

Section 3. Employees must work their last full scheduled work day before and after the holiday in order to receive holiday pay. Employees on approved leave for bereavement, jury duty, or union business on their scheduled workday before and after the holiday shall be deemed to have met the work requirement.

ARTICLE 31 – SICK/PERSONAL DAYS

Section 1. All regular full-time and part-time employees shall receive 5 sick days on the first work day of each academic year. Employees shall receive a pro-rated number of days in their first year of employment after completing their probation.

Section 2. Employees may use their sick days as personal days if scheduled in advance and approved by the Employer. Such approval shall not be unreasonably withheld. Employees do not need to schedule personal days in advance for bona fide emergencies.

An employee may request to use a sick day on a day when the campus is closed due to snow.

Section 3. At the end of the academic year, employees will be able to either cash out their unused sick/personal days at 100%, or carry over their unused days to the next year. The carry over bank will not exceed 10 days.

Section 4. Professional Development Days: Employees will be paid a minimum of three (3) hours pay for up to two (2) Professional Development Days per year. There will be no pay for these days if the employee does not show up for a scheduled event or meeting on these days.

ARTICLE 32 – UNIFORMS

The Company shall supply all regular employees with 3 sets of required uniforms that will be replaced one-for-one on an as-needed basis. The employees must wear other clothing and footwear as determined by the employer.

ARTICLE 33 – TRAVEL ALLOWANCE

Any employee who is required to utilize his/her own vehicle for work-related tasks at the request of management, or is requested to perform work at another location, shall receive a mileage allowance at the rate of the prevailing IRS rate in effect, or be reimbursed the appropriate fee for use of public transportation, if necessary.

ARTICLE 34 - TRANSLATION AND COPYING OF AGREEMENT

The Union will pay to have this Agreement translated into languages agreed upon by the parties. The Employer will pay to have this agreement printed, copied and distributed to all employees. The English language document shall be the controlling document in all situations.

ARTICLE 35 – SEPARABILITY AND SAVINGS

Section 1. If any provision of this Agreement or any application of this Agreement to any employee or group of employees is held invalid by operation of law or by a Court or other tribunal of competent jurisdiction, such provision shall be inoperative but all other provisions shall not be affected thereby and shall continue in full force and effect.

Section 2. The parties agree to meet promptly to discuss the impact of the affected text in Section 1 above and to create new text as may be needed. Such discussions shall not “open” the Agreement during its term.

ARTICLE 36 - MANAGEMENT RIGHTS

Section 1. Except as expressly modified by a specific provision of this Agreement, all the authority, rights and powers which the Company had prior to the signing of this Agreement are retained by the Company and remain exclusively and without limitation the rights of management. Only express modifications contained in specific provisions of this Agreement constitute limitations upon such authority, rights and powers.

Section 2. Examples of the authority, rights and powers which are hereby vested in the Company, with only such modification as is expressly stated in a specific provision of this Agreement, include, but are not limited to, the following: The right to schedule, adjust, and assign work and hours of employees; to assign and require overtime work; to determine production requirements and the methods by which such production shall be accomplished; to hire, promote, transfer, reclassify, suspend, discipline, demote, layoff or discharge employees; to determine the work to be done by the Company's employees; to determine the size of the work force and the amounts and kinds of supervision necessary; to temporarily or permanently shut down its entire operation or a portion thereof; to temporarily or permanently move its entire operation or a portion thereof to another location(s); to establish or change rules and safety standards; to establish or change work standards; to establish or change standards of quality and quantity of work; and to determine the creation, continuance, termination,

change or consolidation of jobs or of partial or total operations (including discontinuance of their performance by Company employees). If the Company does not exercise rights reserved to it or if it exercises such rights in a particular way, it shall not be deemed a waiver of the right to exercise such rights or of the right to exercise such rights in other ways not in conflict with the express terms of this Agreement.

Section 3: The Employer retains the right to subcontract out all of or any part of its operation as the dictates of business demand or if the Employer in its discretion deems it necessary as long as it does not directly displace or result in the layoff of a regular employee except as a result of cause beyond the control of the Employer.

ARTICLE 37 - NO STRIKE OUT- NO LOCK OUT

Section 1. The Union and its members employed by the Company, individually or collectively, will not, during the life of this Agreement, encourage, cause or take part in any strike, work stoppage, work interruption, work interference, slowdown, sabotage of Company production or processes, sympathy strike, picketing or boycott against the Company. The Company will not engage in a lockout during the term of this Agreement.

Section 2. Employees who engage in any activity in violation of this Article shall subject themselves to discipline up to and including termination.

Section 3. The Union agrees that if employees covered by this Agreement are in violation of this provision they shall order the employees to cease and desist and return to work immediately and take steps to ensure compliance with that request.

ARTICLE 38 – COMPLETE AGREEMENT

This Agreement, reached as a result of collective bargaining, represents the full and complete agreement between the parties and supersedes all previous agreements, whether written or oral, between the parties.

ARTICLE 39 – TERM AND RENEWAL

Section 1. This Agreement shall be in full force and effect from November 1, 2010 and shall be in effect up to and including October 31, 2015. It is further agreed that neither the Employer nor the Union shall engage in a strike or lockout after the termination of this Agreement until at least 60 days after notice of intent to negotiate changes was provided to the other party.

Section 2. The parties shall enter into a written reaffirmation agreement 34 months after the effective date of this Agreement, if, in light of the conditions then existing, both parties believe it is appropriate to do so. The reaffirmation agreement shall reaffirm the terms of this Agreement for the balance of the duration of this Agreement. The reaffirmation procedure does not constitute a re-opener of this Agreement.

Section 3. If the Agreement terminates in accordance with Section 1 of this Article before the parties reach agreement on the terms of a successor collective bargaining agreement, there shall be a "Cooling-Off Period" during which neither party may engage in strikes, lockout, picketing, unilateral changes in the Agreement, or other economic weapons. This Agreement shall be extended for the duration of the Cooling-Off Period. During the Cooling-Off Period, the Employer and the Union will make every reasonable effort to negotiate and agree upon a successor collective bargaining agreement. The Cooling-Off Period shall be for a minimum of 60 days, unless extended by mutual agreement of the parties. Economic improvements contained in a successor agreement that become effective upon the effective date of the successor agreement shall be retroactive to November 1, 2015 so that the employees do not suffer economic loss due to the Cooling-Off Period, unless the parties otherwise mutually agree.
